- An email questionnaire so we can tell us about all your travel needs and desires
- A PDF itinerary for your requested day/s

Guidelines

While our focus is on Kyoto, we can answer questions about Osaka, Kobe, Nara and other cities surrounding Kyoto so you can maximise your time in the Kansai (western Japan) area.

Our focus is on culture, design, off the beaten path locations, food and shops! For people who follow us on instgram you know what we are about!

While we are happy to give you insight, recommendations and potential connections, we cannot make reservations for restaurants (some exceptions applies)
